**Tel:** 321.422.4625 or 239.560.5628

The Florida District invites your participation in a monthly seminar presentation on a variety of congregational life issues. The seminar is open to anyone interested among our District congregations.

The format is an hour to an hour-and-a-half lecture & conversation on a given topic, 7:30pm — 9:00pm. Participants receive a written text outline of the seminar prior to the presentation. Only one person per congregation may be “on the call.” However, with the use of a projector and a speaker phone, you can create your own seminar room and invite many others to participate. A copy of the presentation is posted on the District website soon after the seminar has been presented. Participants may then download the slide show and text to share with others.

Pre-registration is required; the fee for all 9 sessions is \$50 per congregation or \$10 for individual sessions, payable to the Florida District.
